

8th February 2023

Dear Year 5 parents/carers,

As a part of our design and technology topic 'Theme Parks', we have the opportunity to visit Paulton's Park on **Friday 21st April**. At the park, the children will have the opportunity to take part in a workshop which explores how rides are designed and created, as well as a chance to create their own. They then will get the chance to explore the rest of the park. The trip will run during the school day - we will leave Meon Junior by coach at 9:00am and will return for normal pick up at 3:10pm - so children should be dropped off and picked up as usual.

On the day, children will need to wear school uniform, but may wear trainers or comfortable walking shoes as we will be exploring the park. Children will need to bring a packed lunch and a water bottle on the day, as well as their inhalers if they require one. Children do not need to bring money as we will not have the opportunity to visit the shop.

The total cost of the trip is **£19.25** per child, which covers the cost of the coach and the entry to the park. The cost is payable via ParentMail, under the 'payments'/'shop' option. We ask that payment is made by **17th April**.

If sufficient money is not collected, we will be unable to run the trip.

Thank you,

The Y5 Team

Meon Junior School
