

1. Summary information					
School	Meon Junior School				
Academic Year	2017-18	Total PP budget	£110,060	Date of most recent PP Review	
Total number of pupils	354	Number of pupils eligible for PP	85	Date for next internal review of this strategy	Feb 2018

	<i>Pupils not eligible for PP (national average 2017)</i>	<i>Pupils eligible for PP</i>	<i>Difference</i>
% achieving in reading, writing and maths	61%	57%	4%
% making progress in reading	0.33	-1.65	-1.98
% making progress in writing	0.17	-2.84	-3.01
% making progress in maths	0.28	-3.77	-4.05

2. Barriers to future attainment (for pupils eligible for PP, including high ability)	
<b>In-school barriers</b> ( <i>issues to be addressed in school, such as poor oral language skills</i> )	
<b>A.</b>	Many pupils come from homes that are unable to support a positive reading culture and do not have easy access to quality books and reading environments which also impacts their ability to write.
<b>B.</b>	PP children who have had little or no boundaries and lack routine at home whose parents/carers have low expectations of behaviour and achievement
<b>C.</b>	Behaviour issues for a group of Year 6 pupils (many eligible for PP) are having detrimental effect on their academic progress and that of their peers.
<b>D.</b>	A significant percentage of pupils entitled to Pupil Premium are also on the school's SEN register (23 %). This affects their learning across all curriculum areas.
<b>External barriers</b> ( <i>issues which also require action outside school, such as low attendance rates</i> )	
<b>D.</b>	Attendance rates for pupils eligible for PP are below the national average with 9.4% below 85% (5.88% below 80%). This reduces their school hours and causes them to fall behind on average.
<b>E.</b>	Many parents of Pupil Premium children do not value education which impacts the children's desire to engage in their learning both at school and at home
<b>F.</b>	Weaknesses in learning behaviours, e.g. lack of independence or resilience.
<b>D.</b>	Social, emotional and behavioural problems affecting wellbeing and progress.

3. Desired outcomes		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
<b>A.</b>	<p>Positive outcomes for PP children in reading, writing and maths by the end of KS2. This will be measured by the KS2 outcomes for PP children.</p> <p>Diminish the progress gap for pupil premium pupils at the end of KS2</p> <p>Diminish the progress gap for all pupils across the school</p>	<p>Maintain or improve the % difference in reading for PP children compared to National other</p> <p>Maintain or improve the % difference in writing for PP children compared to National other</p> <p>Maintain or improve the % difference in maths for PP children compared to National other</p> <p>All PP children will have access to effective interventions, ensuring that their learning needs are met and they make accelerated progress.</p>
<b>B.</b>	<p>Improved learning, emotional and behavioural issues of specific pupils (particularly Year 6). To ensure that children with complex needs are identified early and appropriate support is put in place.</p>	<p>Focused intervention improves pupils' resilience and attitudes to work. Specified children are able to remain in class for longer periods of time / whole lessons. These children are making progress in line with their peers. Fewer behaviour incidents recorded for these pupils on the school system.</p>
<b>C.</b>	<p>Increased attendance rates for pupils eligible for PP.</p>	<p>Reduce the number of persistent absentees among pupils eligible for PP. Attendance is in line with or above National figures.</p>
<b>D.</b>	<p>Increase parental engagement with the school through targeted parental events and parent evening</p>	<p>More parents attend school events. Parents attend parent evening.</p>
<b>E.</b>	<p>Continue to improve quality first teaching across the curriculum measured through school's triangulation documentation</p>	<p>Improved outcomes for all children across the curriculum</p>

4. Planned expenditure					
Academic year	2017-18				
The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.					
<b>i. Quality of teaching for all</b>					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
To maintain positive outcomes for PP children in reading, writing and maths by the end of KS2. This will be measured by the KS2 outcomes for PP children	Extra teacher in Year 6.	Extra teacher in Year 6 to reduce class sizes to ensure accelerated progress throughout the year through increased time for quality feedback. It also increases the ratio of teacher-pupil time. <b>iii. Other approaches</b>					
<b>Desired outcome</b>	<b>Chosen action/approach</b>	<b>What is the evidence and rationale for this choice?</b>	<b>How will you ensure it is implemented well?</b>	<b>Staff lead</b>	<b>When will you review implementation?</b>
The attendance of PP children improves	<ul style="list-style-type: none"> <li>• Attendance officer to check attendance daily and closely monitor PP attendance rates. Meet with parents and offer support.</li> <li>• Rewards for good attendance given out termly.</li> </ul>	This has had a positive impact over the last two years with attendance improving. Teachers try to ensure PP persistent absentees are not disadvantaged in their learning.	Regular monitoring of attendance, particularly for PP group Attendance data analysis Attendance reports to Governors	HT Attendance officer	Half termly
To give PP children experiences they may otherwise not be able to have. To increase parental engagement with the school.	<ul style="list-style-type: none"> <li>• Subsidising residential trips</li> <li>• Subsidising school trips to enable parents to be more-able to afford them</li> <li>• Subsidising school clubs to allow children to participate.</li> </ul>	Parents of PP children are not always able to afford for their children to attend residential. By subsidising this trip, it makes it more affordable for them, ensuring their children do not miss out. Some parents like to pay at least part of trips. By subsidising the trips, it makes them more affordable. PP children will have an opportunity to experience activities they may otherwise not be able to have.
