- At Meon Junior School we highly value good communication avenues with our parents. Therefore we would like to make you aware of the opportunities open to you should you have any concerns concerning your child. If you have a concern about your child, then please firstly speak to their class teacher. In addition, you can also speak to Year leaders. In Year 3 this is Miss Duncan, in Year 4 this is Miss Mitchell, in Year 5 this is Miss Weld and in Year 6 it is Miss Belfield. Furthermore, it is also possible to make an appointment to see the phase leaders. In the lower school this is Mrs Roberts and in the upper school this is Miss Turner. Should the concern remain unresolved after speaking to the members of staff as stated above, then, please make an appointment to see the Head teacher.
