November 2019

BTCK

We are back!

This month we have put over 750 pupils through our Beyond The Chartwells Workshops.

Ask your children what new foods they have tried!

We're All Ears.

We want to know even more. Please try to complete one for you and your children. It goes a long way!

Extension: Saturday 7th December

You Said, We Did.

Through the wonderful feedback that was provided. We have analysed the results and have put in place a number of action plans, ranging from a central portion size template for our units, and even more spare meals at each lunch!

You Asked, We Listened!

As part of our We're All Ears Survey we asked you which theme days you and your children would be most interested in seeing offered in your schools. Some of the top favourites were Pancake Day, Easter, and Bonfire Night. []

Competition Winner

On National Roast Dinner Day, November 13th. We ran our very own Portsmouth competition. Children had the opportunity to complete a word search and the winner will be announced soon.

Stat Of The Month

There has been a decrease of sugar sweetened beverages (SSB) in the age groups 4-10 years old (35%) and 10-18 year olds (17%) since 2009.

This is a great start however we can do more. SSB generally have higher sugar concentrations, which can cause tooth decay (the leading medical procedure in 4-10 year olds).

You can have a massive impact!

Christmas Dinner!

The one we have all been waiting for. Christmas Dinner dates have been set. Christmas Dinner will be on Wednesday 18th December for all, apart from Meon Infant, who will have theirs on Wednesday 11th December.

Find your place In Our Team

Chartwells have an opportunity at Meon Infant School to support the catering team to deliver fun, healthy and nutritious food within the school. We are looking for:

- A Catering Assistant
- 15 hours per week
- £8.21 per hour

If you feel that this role would be right for you and are interested in the flexibility of term time employment, please contact samantha.fisher@compass-group.co.uk
