2019-20

## Meon Junior School Pupil Premium Strategy Statement

### Summary information

#### What is Pupil Premium?

The Pupil Premium is a sum of money allocated to schools each year to narrow attainment gaps between pupils from low income families and their peers. It aims to provide significant funding for disadvantaged children to help close the attainment gap and promote greater progress in line with their peers. Pupil Premium is allocated to the school and is generated by children:

- Who are currently known to be eligible for free school meals (FSM)
- Who have been 'looked after' continuously by a local authority for more than 6 months
- Children from service families (known as the Service Premium)
- Children who have been eligible for FSM at any point in the last 6 years

The level of the premium for 2019-2020 is £1,320 per pupil fitting the criteria above for FSM children, £2,300 for Looked After Children and £300 for children from service families. The rates in 2020-21 for pupils eligible through free school meals will increase to £1,345 for primary schools and £955 for secondary schools. The rate for pupils who have been in care will increase to £2,345 and rates for Service families will increase to £310. From September 2012, schools are required to publish online information about how we have used the premium. This money is for schools to decide how to use but should be spent in order to improve educational attainment of children from low income families. The pupil premium has the potential to have a great impact on the attainment and future life chances of pupils.

1. Summary information								
<b>School</b>	Meon Junior School							
<b>Academic Year</b>	2019-20	<b>Total PP budget</b>	£109,907		<b>Date of most recent PP Review</b>	March 2020		
<b>Total number of pupils</b>	344	<b>Number of pupils eligible for PP</b>	92		<b>Date for next internal review of this strategy</b>			
	<b>Free School Meals (FSM)/Ever 6</b>	<b>Service children</b>		<b>Children in care</b>		<b>Children adopted from care</b>		
<b>Number</b>	74 (Jan '19)	66 (Jan '20)	17 – (Jan '19)	21 (Jan '20)	0 (Jan '19)	0 (Jan '20)	4 (Jan '19)	5 (Jan '20)
<b>Funding</b>	£97,680	£88,770	£5,100	£6,510	0	0	£9,200	£11,725
<b>£111,980 – for 19/20 funding based on January 2019 census - 7/12s proportion = £65,322</b> <b>£107,005 – for 20/21 funding based on January 2020 census – 5/12s proportion = £44,585</b> <b>Total Funding for academic year 2019/2020 = £109,907</b>								

## Meon Junior School Pupil Premium Strategy Statement

Current attainment (SATs 2019)				
	<i>Pupils not eligible for PP (national average- 2018)</i>	<i>Pupil eligible for PP (Meon Junior School 2018)</i>	<i>Pupil eligible for PP (Meon Junior School Provisional 2019)</i>	<i>Difference</i>
<b>% achieving in reading, writing and maths</b>	0.3	16%	52%	+36
<b>progress in reading</b>	0.2	-4.5	-3.0	+1.5
<b>progress in writing</b>	0.3	-2.7	-4.1	-1.4
<b>progress in maths</b>	67%	-4.4	-5.4	-1

NB- provisional data not yet released by DFE- school's estimations.

### Barriers to future attainment (for pupils eligible for PP, including high ability)

Identified barriers to learning for 2018-19	
<b>School context:</b> 27% of the school's pupils on roll are disadvantaged. 25% pupils are eligible for free school meals.	
<b>A</b>	Some pupils come from homes that are unable to support a positive reading culture and do not have easy access to quality books and reading environments which also impacts their ability to write.
<b>B</b>	A significant percentage of pupils entitled to disadvantaged are also on the school's SEN register 27% . This affects their learning across all curriculum areas.
<b>C</b>	Behaviour issues for a small group of pupils (many eligible for PP) are having detrimental effect on their academic progress.
<b>D</b>	Some PP children come from families who need support in understanding the importance of maintaining high expectations and setting clear boundaries.
<b>E</b>	Some children have limited resilience and have less established learning habits and attitudes
<b>External barriers</b> ( <i>issues which also require action outside school, such as low attendance rates</i> )	
<b>F</b>	Attendance rates for pupils eligible for PP at Meon are historically below the national average. High levels of intervention are needed to maintain and continue to improve. Poor attendance reduces their school hours and causes them to fall behind on average

### Meon Junior School Pupil Premium Strategy Statement

<b>G</b>	Many children are identified as needing additional support. This could be social, emotional ELSA support, support from our Early Help Lead, Safeguarding support or external agency support. Out of this group, 67.5% are disadvantaged. Complex barriers are preventing disadvantaged children's life chances.	
<b>H</b>	<p>Home factors including:</p> <ul style="list-style-type: none"> <li>• Parental confidence and their own level of education and experience of school which can result in low parental engagement and children's readiness to learn.</li> <li>• Some pupil and parent aspirations are low resulting in children having little ambition.</li> <li>• Families' emotional and financial stability and welfare.</li> <li>• Some pupils do not get the opportunity to develop their interests or take part in clubs outside school.</li> <li>• Some children and families do not venture far from their locality.</li> </ul>	
<b>I</b>	<p>We have a high number of service premium children (17) and these children historically have needed emotional support for a number of reasons:</p> <ul style="list-style-type: none"> <li>-Moving home regularly can leave children unsettled</li> <li>-Some children struggle with living away from parents on deployment</li> <li>-Occasionally, we may need to support children with loss and bereavement</li> </ul>	
<b>2. Desired outcomes</b>		
<i>Desired outcomes and how they will be measured</i>		
<b>A.</b>	Pupil Premium children will leave KS2 with similar outcomes to their non-disadvantaged peers.	<p><i>Success criteria</i> (By end of the academic year July 2020)</p> <p>The gaps between disadvantaged children and non-disadvantaged children will continue to diminish to enable disadvantaged children to achieve more in line with their peers (national measure).</p>
<b>B.</b>	Improve spoken language and enrich the vocabulary of disadvantaged groups. To enrich reading experiences and teach greater reading fluency and comprehension skills.	<p>Differences will diminish (will decrease from 2019 national measure) between disadvantage and non-disadvantaged children in reading. KS2 reading results will improve on last year.</p>
<i>Impact of 2018-19 strategy</i>		

### Meon Junior School Pupil Premium Strategy Statement

<b>C.</b>	Disadvantaged children will better access taught learning habits and apply these habits and increasing resilience to their learning and wider experiences.	School research will highlight how disadvantaged children are able to better access taught learning habits. Building resilience will allow children the ability to better grapple with learning and face learning challenges with increasing confidence. This will be noted by external evaluations.	
<b>D.</b>	SEND group to make expected and better progress. SEND provision meets individual needs.	Yr 3 SEND PP group to make good or better progress. Teachers have heightened awareness of multiple barriers through robust tracking systems for SEND children.	
<b>E.</b>	Increased attendance of disadvantaged pupils.	Attendance of disadvantaged pupil is in line with non-disadvantaged (school measure as national data comes much later in the year).	
<b>F.</b>	To eliminate or reduce safeguarding concerns raised by the school and promote safe and stable homelife. Offer a wider support network to both the child and the family.	Case studies will highlight how children have continued to learn and make expected and better progress. Also how children feel safe and supported at school as well as increased engagement of parents in school life.	
<b>G.</b>	Disadvantaged children have equal life chances as non-disadvantaged children.	Case studies will demonstrate how the school has support its vulnerable families to improve children's life chances	
<b>H.</b>	Service Premium Children to have emotional needs supported in order to get best possible outcomes in learning.	Attainment and progress of Service families will be in line with or above national expectations.
