

Hello Year 4! Here's an idea of the timetable you might need for your day. You don't have to follow it exactly but we've shared it in case it helps.

Before 9:15	Wake up	Eat breakfast, make your bed, get dressed, brush your teeth.
9:15-10:00	Maths	15 mins playing TT rockstars. Then 30 minutes using the maths activities from the online resources. Remember that you can always make your own questions as extra if you need to.
10:00-10:45	English	15 minutes: Practise spellings (first recap the KS1 list and then keep working on the Year 3/4 lists - This is a good opportunity to practise handwriting too. 30 minutes: Use the English activities from the online resources.
10:45 - 11:15	Break time	Have a walk in your garden, do some exercise, enjoy a healthy snack etc.
11:15-12:00	Reading	15 minutes practising your reading fluency. Try to read out loud and ideally to an adult if you can. Then 30minutes to use the Reading activities from the online resources
12:00-1:00	<b>Lunch time - Yummy!</b>	
1:00-3:00	Topic timel	Choose one of the online resources for the afternoon. These will be mostly based on our new topic 'Roadtrip USA'. We have tried our best to make each one a little different and it doesn't matter what order you do them in.

Each Friday, we will upload the next week's Year 4 learning onto the website. There will be a file for each of English, Maths and Reading which will each contain five 30minute sessions. There will also be 5 different afternoon lessons based on the foundation subjects and our new topic '**Road Trip USA!**'

Stay safe, see you soon,

from Miss Duncan, Mrs Millan-Fernandez, Mrs Ayantoye, Miss Chidlow, Mrs Chandler & Mrs Baxter
