Y6 Summer Term 1

week 5

LO: Learn about a great Artist

Hopefully by now you should have your own amazing picture produced with the help of leaves.

Let's find out about a famous artist who also uses leaves (and other natural resources) to help him produce his art... Andy Goldsworthy

Task:

Find out about him and his artwork by answering the following questions:

Q1 – Find out what year Andy Goldsworthy was born in, where he was born, how old he is now, where he lives now, who he is married to and what his children are called.

Q2 – What sort of artwork does Andy Goldsworthy produce?

Q3 – How does Andy Goldsworthy produce his artwork?

Q4 – What is Andy Goldsworthy most famous piece of artwork?

Q5 – Why is Andy Goldsworthy known as a sculpture as well as an artist?

Q6 – Which of the 7 art elements does Andy use in his artwork?

Extension challenge: Venture into your garden / immediate vicinity and use natural resources to create your own Andy Goldsworthy inspired picture. Maybe... take a photo and upload it onto Google classroom?
