

15<sup>th</sup> June 2020

Dear Parents,

Here at school we are now settled into our new routine, where pupils and staff are in family bubble and home learning continue to be shared for those at home. It so lovely to hear the school alive again and listen to children enjoying play and sport outside in the sunshine.

I am personally finding it very difficult, not being able to have more children back, and worry about losing connection with those families. We are going to arrange opportunities to increase the connection we have with you at home by the following:

1. Assembly with me on Facebook tomorrow to give you a challenge to complete at home and hear some of our of pupils in school reading a poem.
2. On Wednesday 1<sup>st</sup> July we will be having a virtual sports day. Please arrange to spend an hour between 9am and 2pm to complete fun sports activities in the garden or house. We will be asking for results by 2pm and announcing the winning house live on Facebook!
3. We will also find other opportunities to be together virtually.
4. We are planning for an opportunity to gather as a class virtually and speak to your teacher.
5. We are also planning for some virtual transition events.

It is vital that pupils in year 6 and pupils of other year groups attending school contact the school if their child is not attending. Each day we are spending an increasing amount of time chasing up with parents. If a child fails to arrive at school, we need to be able to act swiftly and this is challenging when we are faced with multiple calls each day.

I would like to ask all year 6 parents whose pupils are currently not in school to contact the office and let us know if they DO NOT intend to send their child back this year. This will enable us to offer their space to key workers if needed. Please can I ask that this is done by Thursday 25<sup>th</sup> June.

As always please do not hesitate to get in contact with us if you need any support.
