

MEON JUNIOR SCHOOL BREAKFAST CLUB

Have fun before school starts and enjoy a tasty breakfast. I offer a variety of multisport activities, exercise, games, dance and art, specific to the children's interests.

Included is a healthy breakfast each day. Each day of the week will be different from pancakes and fruit, smoothies and yoghurt, toast, fruit juice and more.

Maia is a qualified sports coach, Personal Trainer and dance teacher with experience of coaching children with a wide range of abilities.
