

Magical Maths is coming to Meon Junior School!

Magical Maths is a super fun after school club designed to boost children's confidence and further engage them with maths.

The club runs for an hour a week after school starting **Wednesday 22nd Sept** and will run for 5 weeks.

The games and activities will be brand new! So your child can join us for the first time or return to the club for a second (or third!) time.

Each week has a different theme and includes a dressed up character including Professor Poopenshtinken (maths genius), the Mathemagician, Stately Holmes (the maths detective) and the Olympic Mathletes!

For more information and to sign up, visit: www.magicalmathsclub.com

Or call **02392 983505**

Places are limited so sign up quickly!
